

**For Immediate Release**

**Imaging Solutions and Services Inc presents Digital Technology Solutions to the Greater Chattanooga ARMA Chapter**

Chattanooga, TN, January 2, 2002 – Imaging Solutions and Services Inc (ISSI), a leading document imaging systems integrator and document conversion services company, presents at the January meeting of the Greater Chattanooga Area Chapter of the Association of Records Managers and Administrators (ARMA), the leading Association for Information Management Professionals. The presentation, Digital Technology Solutions, will be delivered by Cindy Hammonds, ISSI Account Executive, and Brad Moritz, ISSI Chief Marketing Officer. The presentation will review what digital technology has to offer the document management professional in the 21<sup>st</sup> Century. Like many of the most heralded innovations of technology, the highlighted challenge will be implementation. The presentation will be followed by a workshop and luncheon. The workshop will teach the attendees how to assess, develop and implement imaging solutions that make a positive difference.

The meeting will be held on January 8 2002, at the Town & Country Restaurant, 110 North Market Street, Chattanooga, TN. The meeting is open to all members and the business community. Pre-event registration and a fee of \$15 at the door is required. To register or for more information, please contact Dennis Jackson, ARMA Treasurer, (423) 622-6777.
